His dances are favorites at sessions all around the world. Some of his most-loved dances are *Reyhan*, *Coskun Coruh*, *Menim Balam*, and *Hey Gidi*. **Andy** comes from a renowned family of dancers, Connie and Marianne, who founded New England's Folk Arts Center. She WOWED last summer's Stockton camp with her selection of Carpathian dances learned from Mike Protenic, whose grandfather collected these dances as a soldier in the 1890s. You will love the dances she will teach.
